

Tower Hamlets Clinical Commissioning Group appoints local auditor

On 1 November 2016, Tower Hamlets CCG appointed KPMG LLP as its local auditor.

The appointment is a collaboration between the Waltham Forest, East London and City (WEL) and North Central London (NCL) CCGs and the contract, valued at £636,750, will be split between the commissioning groups.

Following the changes to the local external audit arrangements, detailed in the Local Audit Accountability Act 2014, CCGs are now required to procure and locally appoint their own auditors for the year 2017-18 and subsequent financial years.

The appointment will last for three years, beginning on 1 April 2017 and ending on 31 March 2020.
